

Warranty

AZZURRA GUARANTEES ITS MOTORS AND RELATED ACCESSORIES TO BE FREE FROM DEFECTS IN MATERIAL AND WORKMANSHIP UNDER NORMAL AND PROPER USE, AT THE FOLLOWING CONDITIONS:

PERIOD

Azzurra warrants its tubular & curtain motors for a period of **five [5] years**. The electrical and electronic accessories [including the control systems] have a two [2] year warranty. All warranties start from the date of Installation.

WARRANTY APPLICATION

Azzurra has an obligation under the terms of this warranty to repair or replace any parts found to be defective as quickly as possible. Azzurra shall retain any parts replaced under warranty.

WARRANTY LIMITATIONS

The following will render the warranty null and void:

- If the product has been opened or dismantled, or there are clear signs the product has been subject to abuse or other damage.
- If the buyer has selected a product which is not in accordance with our written product specifications.
- If the buyer or his agent has not followed the written installation and wiring instructions issued by Azzurra.
- If our products are used in a manner for which they were not designed or they are used with accessories which have not previously been approved in writing by the Technical Department of Azzurra.
- If any of the electrical accessories or controls have not been wired or installed in the manner depicted in our installation instructions.

PRODUCT USE LIMITATIONS

Azzurra has designed the range of products for use in operating awnings, shutters, blinds, or curtains for sun protection, provided they are not in continuous use. These products must be installed according to IEC Standards or any other rule in force at the moment of their installation or planning.
